Few places in the world are as linked to romance as Gretna Green and the Gretna Hall Hotel with its original marriage room where young lovers eloping from England could be married according to the more enlightened Scottish marriage laws, before an angry, avenging father caught up with them. Even today the Blacksmith’s Shop within the grounds of Gretna Hall is a very popular wedding venue. Perhaps watch, or even indulge, in an ‘old fashioned’ Gretna wedding over the legendary Anvil. The journey continues through Horton in Ribblesdale to the historic market town of Settle. On the return coach journey to the hotel there will also be some free time in Kendal, set in the South of the Lake District, home to a thriving retail sector and a multitude of historic buildings.

The Devil’s Porridge - the recently opened state-of-the-art museum (admission included) explores the remarkable history of His Majesty’s Factory, Gretna, the U.K’s largest, secret, war-time factory during World War I, and the life of the thousands of munitions girls and other workers who came from all corners of the Empire to make cordite explosive, ‘The Devil’s Porridge’ and help Britain win the war. The museum also has a well-stocked shop and café with delicious home baking. Leaving the museum the coach will take you back across the border to spend some time in the historic city of Carlisle. You may like to take this opportunity to visit historic Tullie House Museum or Carlisle Castle that withstood many sieges throughout its turbulent history and remained a working fortress until the 20th century. Chatsworth at Christmas Packages are available from all areas, please call for full details.
1. Does this Trading Charter Apply to My Booking?
Yes, if you are booking a “package” to which the Package Travel, Package Holidays and Package Tours Regulations 1992 apply, but not if you are booking a day trip, taxi or a package involving only one of the following components when sold or offered for sale at an inclusive price and when the service covers a period of more than twenty-four hours or includes overnight accommodation:

- transportation
- accommodation
- other tourist services not ancillary to transportation or accommodation and accounting for a significant proportion of the package.

2. Why should I read this?
Because it is very important. Our Trading Charter forms a key part of our agreement with you because it not only contains our booking terms and conditions but also sets out the booking of your package, but for the purposes of this charter, “Travel Agent” means Dodds Coach Holidays (described below) from The Bonded Coach Holidays Group (“BCH Group”), part of the Confederation of Passenger Transport. Booking your package means that you have agreed to our terms and conditions.

Both the booking terms and conditions and the Consumer Guarantee, together with the confirmation of booking we give you at the time we commit to your booking for you, together make up the legally binding contract between you and us. The Agreement begins when you make your original booking.

When you make this booking as the lead name you undertake that you are 18 and have the authority to accept, and do accept, on behalf of your party the terms of this Trading Charter. This contract is made subject to the terms of the Trading Charter as approved by Scottish law, and the non-exclusive jurisdiction of the Scottish Courts.

However, if you are resident in England or Northern Ireland, you are able to choose the law and courts in which you would like to have the matter heard to the extent that, for financial reasons, we can’t carry out our booking obligations to you.

3. How is my money for the package booked?
Your money is protected by the Consumer Guarantee described below and provided to you by the BCH Group. This is possible because we subscribe to the Code of Conduct of the BCH Group, which requires us to take out a bond from a financial entity in favour of the BCH Group for it to use to provide protection for your package money in the unlikely event that, for financial reasons, we can’t carry out our booking obligations to you.

4. BCH Group Consumer Guarantee
The Bonded Coach Holidays Group guarantees to you that in the event of our failure through insolvency to provide your package as booked, BCH Group will

1.1. if you booked within 7 days of receiving this Trading Charter. Your booking will be cancelled and your monies will be returned in full, provided you have not travelled your journey.

1.2. When and how do I make this contract with you?
We make your contract with you in a number of ways. You can write to us, phone us, use a travel or booking agent, email, or visit our website. Whichever way you contact us, the contract is made when your booking is entered onto our reservation system, a payment is made and we issue a confirmation of booking. We will send you our booking confirmation in the form of a confirmation email within your travel working days. Please check this confirmation very carefully to ensure all the information is correct and tell us, or your agent, immediately of any errors.

5. What is the value of the package I booked?
If the price of the booking of any services using a credit card is in a likely number of circumstances you have recourse against the credit card company in the event of services not being supplied in whole or in part due to the supplier’s financial failure. In those circumstances, you will be advised to check that you have exhausted your remedies against the credit card company.

6. When do I need to pay for my package and how much?
We reserve the right to alterations to the prices of all the packages we advertise. At the time of booking you will be told the current price of the package you are booking by way of the agent in whose name you are booking.

You will be told at what point in time you will become committed to a booking, but we are not committed to the booking until such time as you are notified of our commitment of booking. Our commitment is always conditional upon any balance being paid before the dates listed below.

7. How do I pay for my package and when?
If you book within the balance due period you will need to pay the total package cost at the time of your booking if you are booking outside your package by the date when it is due. Included in your booking and you will be required to pay the cancellation charges detailed below. The date of cancellation will normally be the date on which we receive your written confirmation that you intend to cancel or 15 days after the balance due date, whichever comes first.

Payment Deposit £30 per person
Your balance is due four weeks prior to departure

Which in the event of our failure through insolvency to provide your package as booked, BCH Group will

8. If I have an agent who does my money belong to?
Your agent will hold your deposit on your behalf until we issue a confirmation of your booking, which confirms that there is a contract between us.

The agent has this money on your behalf and the agent holds the money on your behalf. The agent holds the balance you pay on your behalf until the date the balance is due. The agent will then forward to us.

9. Can you change the price of my package after you have issued the booking confirmation?
Even if you have paid for your holiday, this does not mean that we are not able to change it at any stage.

10. Can I change my package arrangements?
After we have issued our booking confirmation we will do our best to accommodate any changes you may want to make to the balance of any adjustment if not caused by our own fault. We are not able to cancel the money on our behalf. The agent holds the balance you pay on your behalf until the date the balance is due. The agent will then forward to us.

11. Can I transfer my booking to someone else?
You can transfer your booking to someone else provided you give us reasonable notice. This person must be able to meet the conditions of the booking. We may require a reasonable period of time to complete this process.

12. Can’t I cancel my package?
You, or any member of your party, may cancel at any time provided that the cancellation is made by the person in whose name we issued the confirmation of booking and is communicated to us in writing via the office at which you made your original booking or by telephone to our customer services department. The charge for cancelling less the increases the closer to the departure date you want to make it. Some arrangements, like particular types of tickets, cannot be cancelled without paying a cancellation charge of up to 100% of the cost of the ticket (eg theatre, rail or taxi tickets, ferry or car hire deposits). This is possible because we subscribe to the Code of Conduct of the BCH Group, which requires us to take out a bond from a financial entity in favour of the BCH Group for it to use to provide protection for your package money in the unlikely event that, for financial reasons, we can’t carry out our booking obligations to you.

13. Scale of Cancellation Charges
Amount of cancellation charge as a % of total package cost

14. What happens if I change my package?
Your arrangements for this package will usually have been made many months in advance. Sometimes changes are unavoidable and we reserve the right to make them at any time. Most of these changes are likely to be minor and we will do our best to keep you or your booking agent informed.

15. What is the scale of compensation?
We pay you for compensation for any breach of contract on the following scale:

This is possible because we subscribe to the Code of Conduct of the BCH Group, which requires us to take out a bond from a financial entity in favour of the BCH Group for it to use to provide protection for your package money in the unlikely event that, for financial reasons, we can’t carry out our booking obligations to you.

16. What is the effect of our liability?
Your package contract with us will be performed or provided with reasonable skill and care. We accept responsibility if you or your party are named in the booking suffer death or personal injury, or the contractual arrangements are not provided as promised if the result of our acts or omissions or the acts or omissions of others whilst the acts or omissions of which you are or were entitled to reasonable and substantial assistance.
